

## FLAME RETARDANT UNDERWEAR

For wearing under main protective garments.

Made from knitted Nomex fibres, CE marked to EN533 and available in Natural, Red, Royal Blue and Yellow colours.

### Underwear

Short or long sleeve vests with polo, crew or V neck.

Long johns or boxer shorts.

Socks are also available in Natural or Black and in UK sizes 6 – 8 ½ and 9 - 11

### Balaclavas to EN533

Available with either single or double skin and open face or two eyed. Open face types can be worn with the lower edge below or over the nose, while the two eyed style gives maximum covering of exposed areas.

Colours available: Natural, Red, Yellow, Royal blue and Black.

Options:-

B-925 – with elongated neck.

HN375 – single layer with eyelet mesh front with elasticated top covering lower face (for use with face masks).
