

# FOCO 3 FIRE HOSE

## GENERAL SPECIFICATION

Foco 3 is a high quality fire hose for use by Professional Fire Fighters in the most demanding situations. It is constructed with an all synthetic woven textile reinforcement encased in a high tensile PVC/Nitrile reinforcement forming a unified lining and cover.

## FEATURES

### Oil & Chemical Resistance

Foco 3's construction and unique PVC/Nitrile rubber blend provide excellent resistance to a wide range of chemicals and oil.

### Heat Resistance

Foco 3 has excellent heat resistance against accidental contact with hot embers.

### Abrasion Resistance

Foco 3's strong PVC Nitrile cover provides a tough external coat ensuring excellent abrasion resistance.

### Weather Resistance

Foco 3 has excellent ozone and weather resistance and is suitable for the most demanding environmental conditions.

### Approvals

Foco 3 fully meets the requirements of the U.K. Home Office Specification JCDD 1/1 and British Standard BS6391:1983 for Type 3 hose.
